

# STUDENTS PUT UP AN ENTERTAINING ACT

A performance by the school band

Students of the PYP section of Hill Spring International School put up an entertaining show titled 'Fusion' recently. The annual day was celebrated with full gusto, with the theme being folk tales. The opening act was a tribute to the music of Maharashtra. Music band HSI Beats the Best started the evening with a vibrantly curated performance that included instruments like *puneri dhols*, *tasha*, *halgi*, *duffri*, *jhanjh*, *bagal bachha* and gong, which received a thundering applause from the audience.

The three performances, which were a culmination of music, theatre and dance, included *Buk Buk Mal ki Daastaan* by Grades 1 and 2, *Beasty Tales* by Grade 3 and *The Secret Bride* by Grade 4 and 5. The chief guest for the evening was film and theatre actor Shilpa Tulaskar, who enjoyed the various performances by talented students. Every performance was a display of unique talent, music, expressions and hard work put in by the students and teachers to make 'Fusion' a grand success. Dr Jaydeep Mirashi (Chairman), Dr Pratibha Mirashi (Managing Director) and Nalini Pinto (Principal) were equally elated with yet another successful year of 'Fusion'.
